A BILL FOR

An Act to amend section three hundred ninety-two point
one (392.1), Code 1950, relating to joint use of
sanitary sewer system.

Be It Enacted by the General Assembly of the State of Iowa:

1 Section 1. Section three hundred ninety-two point
2 one (392.1), Code 1950, is hereby amended by adding at
3 the end thereof the following:
4 “Provided, however, that nothing herein shall prevent
5 cities and towns adjacent to each other from contracting
6 with each other for the joint use of the sanitary sewer
7 system of either city or town.”

EXPLANATION OF H. F. 586

Under the present provisions of section 392.1, Code, 1950, it is questionable whether cities and towns are authorized to contract for joint use of sanitary sewers unless they meet every condition laid down in said section.
The purpose of this bill is to authorize cities and towns to contract for the joint use of the sanitary sewer system of either regardless of whether they meet all the conditions laid down in said section.
